PERSONAL PROJECTS

End of course evaluation project for Trachoma disease in Zimbabwe (Sight-Savers) (08/2019)

- Mobile Data collection designer, GIS data analyst and Enumerator (Dr Tagwireyi and Prof Mduluza's Consultancy)

Capacity Building Services for Energy Sector specific Geographic Information System (GIS) services for mapping Energy projects which contribute in developing of a fully-fledged Measurement and Verification (MRV) system) (Ministry of Energy and Power Development, Energy Conservation and Renewable Energy (ECRE) Department) (02/2019)

- Individual consultancy, GIS technician, Spatial Data analyst and Geodatabase designer

Geo-information System (GIS) server and GEO- Data Base Installation (Ntengwe for Community Development (Binga)) (06/2018)

- Individual Consultancy, GIS technician, Spatial Data analyst and Geodatabase designer

Installation of a Geo-Server and Geo-database ODK form Aggregate server for data collection Integrating general maps/pegging plans in a GIS for Ruwa Local Board (Ruwa Local Authority (Harare)) (2018)

- Geo-database designing, mobile data collection designing (SIRDC Consultancy)

Marange Mine Environmental Impact Assessment Project (Zimbabwe Consolidated Diamond Company (ZCDC) in Chiadzwa, Marange in Mutare Rural District.) (2018)

- Satellite image data analyst, GPS data collection (SIRDC Consultancy)

End of Life Course Immunization Project Evaluation – Knowledge Attitudes Practices Beliefs (LCIP-KAPB) Immunization coverage baseline for Gokwe North and South Districts, Zimbabwe (World Vision International (Gokwe)) (12/2017)

- Mobile Data collection designer, GIS data analyst and Enumerator (Dr Tagwireyi and Prof Mduluza's Consultancy)

Pfizer and KAPB Survey (World Vision International (Dande)) (2017)

- Mobile Data collection designer, GIS data analyst and Enumerator (Dr Tagwireyi and Prof Mduluza's Consultancy)

Life Course Immunization Project – Knowledge Attitudes Practices Beliefs (LCIP-KAPB) Immunization coverage baseline for Gokwe North and South Districts, Zimbabwe World Vision International (Gokwe) (2016)

- Mobile Data collection designer, GIS data analyst and Enumerator (Dr Tagwireyi and Prof Mduluza's Consultancy)

EDUCATION

BSc Geography Honours Degree in Human Environment, majoring in GIS and Remote sensing
University of Zimbabwe

GCE ADVANCED LEVEL

St Columbus High

2014

Zimbabwe

Results

- 3 Advanced Level Passes

GCE Ordinary Level

Marist Brothers Secondary School

2012

Zimbabwe

Results

- 9 Ordinary Level Passes

CERTIFICATES

Certificate in Geographic Information System and Earth Observation

SIRDC

Certificate in Potato Farming and Production

SIRDC

National Foundation Certificate (NFC) in Computer Operations and Packages
